

Bureau Veritas, your partner to assist you for all bulk and break-bulk certificates

Context

Starting Jan 4, 2010, all bulk & break-bulk shipment arriving in the Philippines are subject to the provisions of Administrative Order No 243-A and its Implementing Rules and Regulations.

AO 243-A and its IRR provides that all bulk a break bulk cargoes must be covered by report of a cargo surveying company accredited by the Committee for Accreditation of Cargo Surveying Companies (CACSC) to facilitate the release of the cargoes from the Bureau of Customs (BOC).

This procedure facilitates the proper examination, of bulk and break bulk cargoes using measures compliant with customs international best practices and global trade standards.

The report is issued by the accredited cargo surveying company after a full survey of the quantity, quality, and grade-of the bulk or break-bulk cargo.

Bureau Veritas was accredited by CACSC on December 2009.

The accreditation was renewed on December 2015.

Experience

- Since its foundation in 1828, the Bureau Veritas Group has consistently built recognized expertise, helping clients comply with standards and regulations.
- The Government Services & International Trade Division provides commercial inspections to traders, producers, manufacturers, financial institutions and many other private operators to protect their interests, in the fields of:
 - Oil & Petroleum products
 - Mineral products
 - Agrifood and Commodities
 - Fertilizers & Chemicals
 - Wood & Forestry
 - ...
- General trade services are third party inspection services based on visual aspects and appearance as well testing. These can be provided at any stage of the process and along the supply chain.
- In addition of the mandatory services, these inspections give confidence to the buyers on the suppliers' capabilities to deliver.
